

**Trade Contractors Division Meeting
Wednesday, April 21, 2021, 2:30-4:00pm
Virtual – Microsoft Teams**

AGENDA

The Vancouver Regional Construction Association assigns the highest priority to full compliance with both the letter and the spirit of the Competition Act, and it is vital that this meeting be conducted in a manner consistent with that policy. During its meetings and programs, the Vancouver Regional Construction Association will not condone or permit any discussions—official or unofficial—of price-fixing, boycotts, refusals to deal, blacklisting, market allocation, supply restrictions or other anti-competitive activity. If, at any time during the course of the meeting, the Association staff or any member present believe that a sensitive topic under the Act is being discussed, or is about to be discussed, they will so advise the chair of the meeting and ask that further discussions cease. Attendees at this meeting should likewise not hesitate to voice any concerns they may have in this regard. Any discussion or commercial dealings with one's competitors may create the appearance of a Competition Act violation, even though none may exist. Therefore, such discussions should be avoided at all times before, during and after this meeting.
